Dear Mr. Weisberg:

We welcomed reading your letter in The Nation on President Kennedy.

Once again we turn to you for assistance. After trying to write Mr. Penn Jones Jr at;

a) Box 1140
Midlothian, Texas. 76065,

b) Box 356
Route 3
Waxahachie, Texas. 75765.

Both letters were returned for insufficient address! Do you have his current, complete address? Please inform if so, or tell us who might.

Also attempted was to contact Mr. Robert Sam Anson. Do you have his complete current address? Please let us know. Mr Anson, in They've Killed The President, page 100, describes a critic, "who did some of the best research, kept repeating his findings for years with nobody listening, and finally went insane with paranoia." Do you know who he is referring to?, or any other assassination buff who had to be institutionalized?

(2)

all assistance you are able to provide will be greatly valued.

Very truly,

Dr. R. Augustus Hoff
